Welcome to Wylie Gators Sports Pub & Grill! We want you to leave here feeling as if you were just sitting around your own dinner table with friends and family and having a good time.

The story of Wylie Gators is from the birth of our son, our true little miracle, Brady. Brady came into the world early and left the world early but while he was here, he touched the lives of everyone he met. During his 3 short years he made people feel special, even though he was the 'special one'. He made everyone who came into Wylie Gators feel as if they were family and they were just at 'home' hanging out with their own family and friends. We love surrounding ourselves with family and friends and we hope when you step into Wylie Gators, you become family.

We have incorporated some menu ideas from our hometowns and places we have traveled. Bobby grew up in Binghamton, New York which is in the upstate area of New York. There are a few items he wants to share with everyone. Spiedies and Cortese Pizza. The Spiedies are marinated chunks that will leave you wanting more. The marinade is made with several ingredients but has vinegar, olive oil and a variety of Italian seasonings. The Cortese Pizza is a square pizza which has 8 pieces and feeds around 2. Bobby also has a love for the Original Philly Cheese steak made with Cheese Whiz just like you would get from Pat's or Geno's, for those of you who know the Philly area.

I grew up in Northeast Ohio, not too far away from Pittsburgh, PA. Pittsburgh has a famous place called Primante Brothers that has been serving 'overstuffed sandwiches' for many, many years so I decided we needed something like that. They are a meal all in one!

Brady was born premature and had Cerebral Palsy, so we are involved in several charities and events. If you have an organization and you want to hold a meeting, event, catering, etc. please let us know and we can work something out.

We welcome any ideas or comments from you. We can only better serve you if we know how to better serve you so don't be afraid to tell us what you think.

Thanks!
Bobby, Kim, (Brady)

GATOR BAIT
